

## Excelsior® HE Dishwasher Detergent

**Usage Instructions:** Take one Dishwasher Detergent pod and place it directly into the dry detergent dispenser. There's no need to unwrap, puncture or pull apart the pod, since the plastic coating dissolves completely in water. Slide or press the detergent compartment lid closed until it clicks into place.

- **ALL-in-One Dishwasher Solution** that has a built-in degreaser, stain remover & rinse aid to remove grease, tough food stains and cooked-on messes, providing you with a powerful clean and shine every time while leaving behind a gentle citrus scent.
- **Long-lasting & Easily Soluble** each container includes 90 water-soluble dishwasher pods used especially for high-efficiency dishwashers. It's phosphate-free and safe on septic systems.
- **30 Day Love It / Adore It Guarantee** or your money back!
- **No Stinky Washer Warranty** guarantees that no odors will develop in your machine for its' lifetime, when you use Excelsior® HE dishwasher detergent t exclusively in your new dishwasher.
