HOW TO MAKE A WARRANTY CLAIM:

1) In the event of a stain on the Excelsior Excel-Guard Complete foundation encasement, SOS Warranty Services Inc. requires the owner of this product to machine wash and dry the foundation encasement as quickly as possible after a stain has occurred and to do so according to wash and care label instructions.

2) Should the foundation encasement be defective or if an accidental stain covered by this warranty persists, call the 1-800-661-7313 toll free help and assistance line within 14 days with your warranty registration number / proof of purchase readily available. A customer service representative will issue to you an authorization number for the replacement of your foundation encasement and will arrange for the replacement.
